G.O.S.S. was Founded	Expanded to larger Warehouse - 50,000 SqFt	Acquired additional warehouse space- 25,000 SqFt	Moved into new warehouse – 80,000 SqFt

Why Outsource?

G.O.S.S. industries international inc

Expanding or maintaining complex warehouses and distribution channels require a significant capital investment for:

Land • Buildings • Equipment • Workforce • Changing Technology

Efficiently managing these areas is critical to achieving a strong competitive advantage and increased profitability, through controlled costs.

It is to your advantage to outsource your warehouse and distribution functions. With G.O.S.S. your products will reach your customers in a matter of days with no customs delays or surprise duty and tax charges enabling you to have stronger retention rates and profitability.
